His second chance at life made possible by an organ donor

Teenager, soccer player, heart recipient

Blake received his gift of life—a heart transplant—when he was just two weeks old. But you'd never guess it today. He plays soccer, basketball, runs track, and takes good care of the gift he was given. You can be someone's second chance, too. Say yes to donation. Sign up online as an organ, eye, and tissue donor.

Imagine what you could make possible. Go to organdonor.gov.
