His second chance at life
made possible by
an organ donor

*Blake, teenager,
soccer player, heart
recipient, with his
mom, Robin*

Blake received his gift of life—a heart transplant—when he was just two weeks old. Today, when his mother Robin watches him play soccer, she still marvels at the precious gift their whole family was given. You can be someone's second chance, too. Say yes to donation. Sign up online as an organ, eye, and tissue donor.
