Good In You ENGLISH RADIO :30

SFX: Heart monitor sound up, possibly with some hospital sounds behind. Heart monitor beeps a few times then “flatlines,” with one long, unchanging tone.

MUSIC UP. ANNOUNCER (Chris Fries):

As an organ donor, your story doesn't have to end.

The good in you can live on.

In fact, you could save up to eight lives

and restore sight and health for many more.

Sign up right now, online as an organ, eye, and tissue donor.

You'll be happy you did.

And just maybe, someone else will be happy too.

Go to organdonor-dot-gov. It saves lives.

U.S. Department of Health and Human Services, Health Resources and Services Administration.
