

2020 Hospital Campaign for Organ Donation

Recognition for Outreach

The following hospitals and community partners earned recognition for educating their communities about organ, eye, and tissue donation during the 2020 Hospital Campaign. Partners worked closely with organ procurement organizations (OPOs), Donate Life America (DLA) state teams, and state hospital associations to generate more than 59,600 donor registrations between October 1, 2019 and April 30, 2020. OPO, DLA, and hospital association participation is indicated in the title line for each state. The number of partners recognized in each OPO service area is listed beginning on page 45.
